

THE PILGRIMS CALLED THE CELEBRATION THE HARVEST FEAST.

The Pawtucket Indians thought of it as the Green Corn Dance. But the first Thanksgiving was much more than that. Join Newbery Medalist Jean Craighead George and beloved illustrator Thomas Locker as they trace the passage of time from the melting of the glaciers that created Cape Cod and Plymouth Rock, to the moment the Pawtucket Indians and the Pilgrims met and feasted on the bounty of the New World. From the simple text to the lush illustrations, the story of a harvest feast named before tradition will captivate readers young and old.

“Correcting misconceptions and clarifying contemporary attitudes, this beautiful book brings fresh insight and a better balance to the traditional story.”
